Green Specifications
- Eco Designed

Product highlights

DivX Ultra Certified
DivX Ultra combines DivX playback with great features like integrated subtitles, multiple audio languages, multiple tracks and menus into one convenient file format.

Guide Plus+ on-screen TV guide
GUIDE Plus+ is an Electronic Program Guide – a free on-screen TV Guide that shows what's on TV for the next couple of days and lets you program the timer of the DVD Recorder with the push of a button.

HDD Media Jukebox
Create your very own digital media jukebox right in your living room. Transfer MP3, WMA, AVI, DivX and JPEG files quickly and conveniently onto the recorder's built-in hard disk - from CDs and DVDs, or from USB thumbdrives, portable media players, digital cameras, and even some mobile phones. Play back your favorite movies, music or photos on your TV or home theater system anytime you want. The options are endless, as will be the enjoyment.

File transfer: HDD, DVD, USB
Thanks to the complete file transferability, you can transfer or copy your multimedia files from one source to another regardless if the files are stored in the recorder HDD, a DVD disk, or on your USB flash drive.
